

Hello Dear,  
Greetings to your family

**YOUR ATM VISA CARD IS READY**

I have been waiting for you since to contact me regarding your winning amount of \$2,100,000.00 (Two Million One Hundred Thousand United State Dollars) loaded into an ATM Visa Card which we discussed. We are duly interred switched. Therefore you can make withdrawal in any location of ATM Machine Centre Cash Point of your choice in any part of the world and the maximum you can withdraw a day is **USD\$2,000**.

I did not hear from you since that time then I went and deposited the package ATM CARD with **Transnet Couriers and Express Delivery Services** Johannesburg, South Africa as I travelled out of the country for a short Course and I will not come back till end of the 2nd quarter of the year 2014. What you have to do now is to contact the Transnet Couriers and Express Delivery Services as soon as possible to know when they will deliver your package to you because of the expiring date.

For your information, I have paid for the Clearance Certificate Fee neither of the ATM CARD showing that it is not a Drug Money nor to sponsor Terrorist attack in your Country. The only money you will pay to the Courier Company to deliver the ATM CARD directly to your postal Address in your country is (**\$185**) only being their Security Keeping Fees of the Courier Company so far. I would have paid that fee but they said no, because they don't know when you will contact them and in case of demurrage. You have to contact the Transnet Couriers and Express Delivery Services Manager immediately for the delivery of your ATM VISA CARD package with this information below:
